

047 Uintah County
Gen Corr

MWC Energy Group has submitted an easement application for a proposed buried power line within the SW4NE4 of Section 24, Township 4 South, Range 20 East, SLB&M in Uintah County. The proposed power line will connect to an existing power line within the section and will serve a proposed feasibility pilot plant for extracting oil from local tar sands. The applicant holds ML 51484 within the section. The proposed easement corridor is 230.99 feet long and 40 feet wide, containing approximately 0.21 acres. The requested term of the easement is 30 years.

Easement No. 1757 - Power Line Township 4 South, Range 20 East, SLB&M, SW4NE4 (Within), Section 24, Utah County

Data represented on this map is for REFERENCE USE ONLY and is not suitable for legal, engineering, or surveying purposes. Users of this information should review or consult the primary data and information sources to ascertain the usability of the information. SITLA provides this data in good faith and shall in no event be liable for any incorrect results, or any special, indirect, or consequential damages in any party arising out of or in connection with the use of the mapability to use the data herein.

Land parcels, lease boundaries and associated SITLA data layers may have been adjusted to allow for visual "best fit". The Surface Ownership Land Status data (if present) are maintained by SITLA to reflect current land status and surface ownership. Lakes, rivers, streams, highways, roads, county and state boundaries are distributed by the Utah Automated Geographic Reference Center and/or other sources as specified. Contour lines (if present) were generated from USGS 10 meter DEM.

Please Note: While SITLA seeks to verify data for accuracy and content, discrepancies may exist within the data. Acquiring the most updated SITLA ownership GIS data may require contacting the GIS staff directly 801-538-5100 or GIS@utah.gov. The SITLA GIS department welcomes your comments and concerns regarding the data and will attempt to resolve issues as they are brought to our attention.
